### Bawdeswell Fair

The weather was kind to us this year and lots of people turned out for a bit of fun and loads of bargains. The fairground was a little different this year with amazing inflatables instead of rides, but was still popular, if for an older group.

There were plenty of activities for all ages and the hard work that went on in the background was well worth it when one saw families out enjoying the occasion so much. There are too many helpers to single any out. But thanks to all.

£1,276 was raised and was divided equally between the groups taking part – the church, the School Friends, the Village Hall, the BAG Group and the Pre-School. It should be recorded that Friends of the Church also took part but this year did not share in the takings in order to enable the BAG Group to join. This was a generous gesture as their fundraising is vital too.

From the organising committee chaired by Fel Roberts, thanks to all who put so much effort into the event and all who supported it.

### Bras in the Bay

#### Attention Ladies. Your help is needed NOW!

Norwich Soroptimists are collecting good, clean used bras as part of an initiative to help women in West Africa. The bras will be taken to the Soroptimists' conference in Cardiff at the end of October. The plan is to build "a mountain" of bras in the Cardiff Bay area - hence Bras in the Bay! This will attract national and international publicity. Oxfam will then ship them out to West Africa on behalf of Soroptimists.

The deadline for collection is mid-October 2009. Your local collection point is **Bawdeswell Garden Centre.**

Your help is greatly appreciated.

The activities at Bawdeswell Village Hall & Recreation Ground are open to all residents of Bawdeswell, Foxley and surrounding villages. For some activities the numbers may have to be limited. As usual the 'CAFE' will be open every afternoon for hot & cold drinks, sweets & crisps etc. from 2 – 5 pm. As well as the specific activities we have other play and sports equipment that can be used or set up on request (subject to enough volunteers being available).

We accept children aged 9 years and over with parental consent (written consent on our specific form - available at the hall or in advance contact 688749 - is required). Children under 9 **MUST** be accompanied at all times by a responsible adult (18 plus). Attendance of unaccompanied children is of course subject to their good behaviour.

**Events for children under 9 years** – parents bringing children under 9 may bring older children who can join in whilst the parents are there. Pool and table tennis will not be available.

**Events for children 9 years and above** – parents of children attending may bring younger children but they will need to be closely supervised. No specific activities or equipment other than drawing/painting or similar will be available for the younger children.

**PLEASE NOTE :** If any parent has concerns about the interaction between their child and another they must speak to one of the volunteers immediately.

## **Special Notice – Swine Flu**

**BAG has been made aware that there is a reported case of contact with swine flu in the area. Any person with cold or flu symptoms or anyone who has had contact with someone else who has cold or flu symptoms is requested not come to the activities.**

### Bawdeswell Badgers Pre - School

Hello everyone, well we are coming to the end of our school year and how the term has flown, we have painted, crayoned, stuck and snipped our way through. Along the way we have welcomed some very kind visitors from horses and dragons to snakes and hedgehogs, our mobile librarian came in to read us stories and our new friend Ruth kindly showed us a native costume from South Africa and shared her photos and memories from that fascinating country. To everyone else and most especially anyone I have not mentioned, thank you so much.

Our hardworking committee obtained funding for our wonderful all weather surface and canopy to enable us to have continuous inside/outside provision, for that and all the other fundraising events, well done. Thank you to our Parish Council who kindly gave us a large donation to enable us to buy a white board and several large books, we really appreciate your assistance.

Finally, we say a sad goodbye to our 'little gems' who leave us for the 'big school', each and every one is a lovely child whom we are confident will be a huge asset to their new class and school. We look forward to September with new children to welcome and join us having fun, see you then.

Carol Taylor Supervisor 01362 688875

## BAWDESWELL BOOK CLUB

NOTHING TO BE FRIGHTENED OF by Julian Barnes

Published in 2008 this is a work of non-fiction in which the author writes about his life, his family and his experiences. In particular he discusses his fear of death - the 'nothing' in the title which is taken from his diary written about 20 years before. He notes that, said with different emphasis, the sentence has a rather different meaning, 'people say there's NOTHING to be frightened of'.

He discusses many other topics such as philosophy and his on-going discussions with his elder brother [a philosopher], religion [belief and non-belief], bereavement, literature and the Arts and what it means to him to be a writer.

I was particularly interested in the anecdotes about the lives [and deaths] of other writers and artists. His views are interesting, witty, erudite and entirely idiosyncratic. I enjoyed reading this book and would like to read more of his work.

HC

*Next months meeting will be held in the Old Workhouse Bar on Thursday 6<sup>th</sup> August at 8 pm where we will be discussing 'The Secret Scripture' by Sebastian Barnes. New members welcome.*

## BAWDESWELL PARISH COUNCIL

### DIGEST OF THE PARISH COUNCIL MEETING HELD ON 6 JULY 2009

**Present:** Councillors Mason, Beane, Cockburn, Kirby and Mallen, Mr G Bambridge, C Boer and 1 parishioner.

### Ongoing Issues from Previous Meetings

**Adams Pit:** The Parish Council will obtain quotes to hire a mini-digger to excavate the area in Adam's Pit where it is believed that there is a possible drain in order to settle this mystery once and for all. Thank you to those that took the time to complete the Adam's Pit questionnaires at the Village Fete. Your views are valuable and a report detailing the results of the completed questionnaires will be issued in the next issue of the Reeves Tale. Anyone wishing to complete a questionnaire or comment on the future of Adams Pit please contact the Clerk.

**Community Speedwatch Scheme:** The Bawdeswell Community Speedwatch Scheme has finally been launched and areas for monitoring within the village have been identified and cleared with the Police. It is a requirement that 3 volunteers are available at each check and with only 5 people currently vetted and trained, it is vital that we get more volunteers if the system is to be maintained. So if you can spare 1 – 2 hours a week to help make the roads within our village safer then please do contact the Clerk for more details.

### Planning

**PA 3PL/2009/0403/F:** The Cottage, The Drift, erection of a 2 storey extension including granny annexe, the PC has raised objections to this application over the size of the proposed extension in comparison with the existing dwelling.

**PA 3PL/2009/0352/F:** Adjacent to Bawdeswell Store, proposed subdivision of a 4 bed dwelling house to 1 x 3-bed dwelling and 1 x 2-bed dwelling: planning permission granted with 6 conditions.

### Finance

**VAT Repayment:** £239.45 received for the period of 3/6/08 – 31/3/09.

### Any Other Business of Interest to Parishioners

**Possible Provision of Allotments:** The Parish Council has a duty to consider providing allotment gardens to interested parishioners if there is such a demand within a parish. Anyone interested should contact the Clerk.

**Speeding Motorcycles:** The Parish Council has received numerous complaints from parishioners about speeding of motorcycles within the village. They have also been driving along footpaths and doing 'wheelies' around the village. The incidents have been reported to the Police. If these offenders are Bawdeswell parishioners please think of the safety of yourselves and others; we do not want any accidents within our village.

**The Parish Council is in recess in August. The date of next meeting is:  
Monday 7<sup>th</sup> September 2009 at 7.45pm**

Parish Clerk - Claire Boer 01362 688415/07877955745 email: [cboer.parishclerk@fsmail.net](mailto:cboer.parishclerk@fsmail.net)

**FOXLEY PARISH COUNCIL - EXTRACT OF MINUTES OF MEETING HELD ON 15 JULY 2009 IN THE VILLAGE HALL**

**Present:** Councillors Harvey, Mears, Barrett, Hatch, and Mansfield, Mr G Bambridge, C Boer and 4 Parishioners

**Parish Councillor Vacancy:** The Parish Council agreed unanimously to co-opt James Mansfield as parish councillor. The Chairman welcomed Mr Mansfield and thanked him for agreeing to fill the parish councillor vacancy.

**Matters Arising**

**Anglian Water Sewerage Pumping Station:** The Chairman confirmed that the Village meeting arranged by Anglian Water for residents to find out about the project and discuss their individual circumstances, had taken place earlier that day, and reported that Anglian Water were pleased with the average turnout of residents. The Parish Council would like to remind residents that the signed agreement forms need to be returned to Anglian Water by **Monday 31<sup>st</sup> August 2009**. Work is due to commence at the end of August and should be completed by mid December. Anglian Water confirmed that during the periods of road closures access to dwellings would still be retained for residents and emergency vehicles.

**Highway Issues**

**Overgrown Grass Verge/Hedges:** Concerns were expressed about the state of the overgrown grass verge and hedges along the footpath from Foxley to Bawdeswell. The Clerk was commissioned to liaise with the landowners.

**Dog Fouling:** The Parish Council would like to remind dog owners of their responsibility to clean up after their dogs. It would appear that there have been many cases recently where residents have witnessed some dog owners not carrying out this task. Please help keep our footpaths and verges clean.

**Planning**

**3BT/2009/0001/BT:** Old Fakenham Road Pumping Station, West Foxley; telemetry aerial and ground based kiosk: confirmation received from Breckland Council that this matter has been considered by the Council and it has been resolved that no prior approval is required.

**Mobile Home at Moor Farm:** The Clerk reported that a new planning application had been received 3PL/2009/0507/A : Mobile Home (temporary period of six months); and confirmed that the Parish Council's objections to this proposal have been forwarded to Breckland Council with the request that this PA be determined by the Development Control Committee so that a representative of the Parish Council could attend to reiterate its concerns if necessary.

**Village Matters**

**Items Raised at the Meeting:**

Concerns raised about the state of the ditch in front of the Natterjack the Clerk commissioned to discuss this again with Highways.

## BECK W. I.

Our July meeting was on Monday, the 13<sup>th</sup>. Margaret Roy, standing in for Aleathia, introduced our guest speaker, Jon Read. We were pleased to great Jon again, having been entertained by him on two previous occasions. ( Widely different subjects: Gas Works and Soap ). Jon's subject this month was North Wales and it was evident from his enthusiasm that he feels it is a country well worth visiting. He spoke of several places he and his wife had been to and wonderful holidays spent there. Then he showed us spectacular slides of mountains, valleys, lakes, castles, waterfalls, the hardy Welsh sheep – and of course Snowdonia. For some of us Jon's talk brought back memories of our own holidays enjoyed in that beautiful country, which in turn brought thoughts of returning! After the interval, Jon judged the exhibits – an unusual spoon. 1<sup>st</sup> – Jennifer, 2<sup>nd</sup> – Ruth. Jennifer won the raffle. Jennifer read last month's Minutes and Margaret told us of forthcoming events. Arrangements started to be made for our Coffee Morning booked for Saturday 5<sup>th</sup> September in the Old School Room. Doors open 10.30 a.m. The August meeting is on the 10<sup>th</sup> and the speaker will be Cameron Read. His subject – Osteopathy. The exhibition is a Recipe for a Remedy. Hope to see you all.

## FRIENDS OF BAWDESWELL CHURCH

We held our quarterly Coffee Morning and Draw in the church on Saturday 4<sup>th</sup> July.  
Here are the results of the Draw.

£100 M Menzies

£25 J Vince, S Gurney, S Lilwall, R Lilwall

£10 L Condon, J Cockburn, D Maybee, D Egmore, R Gurney

On 28<sup>th</sup> June we participated in the Bawdeswell Village Fair, but this year joined with the church so that Bawdeswell Activities Group could join the group of participants and not dilute the share out. However, this was not a popular concession with our members and we will have to think again next year because our funds are quite separate from the church's. The Church Friends help to maintain the listed building for the community and to preserve it for the future. None of their fund raising goes to general church funds.

The next Coffee Morning is on Saturday 3<sup>rd</sup> October at 1030 in the church. The 100 Club draw will take place then. Please drop in for free coffee and a bite when passing. All are welcome. There is no obligation to join as a member.

## Wensum Valley Birdwatching Society

*“more than church or school or hall, the village inn’s the heart of all” - John Betjeman.*

**Nightjar Evening:** What better way to embark on a field trip than to start from the local hostelry. A large group of members and guests gathered at the Marsham Arms for a meal, a pint and a chat before setting off for Marsham Heath in the gathering dusk. This is a birdwatch like no other as we stand in silence, listening for the unmistakable ‘churring’ sound indicating a nightjar nearby. Then some fleeting glimpses of these elusive birds as they flew around us, some alighting on pine branches, their colouring and the failing light challenging the best of optics. Normally on a bird walk we notch up 50 or so species but on this night just 2. Nightjars and a lone woodcock.

On 7th June we held our annual summer bird count. The team recording the most species seen had a total of 80. In conditions that were often wet and cold this was a very creditable total and a special mention is due for the solo effort of Ian Britain who logged 69 species. The day was rounded off with a meal at the Fox and Hounds in Lyng – once again doing our bit to support the traditional village inn.

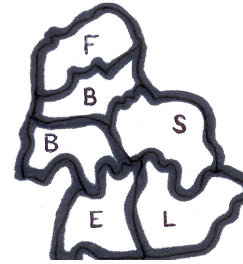

**August Diary dates:** Its back to Normal in August with an indoor meeting and a field trip. On Thursday 20<sup>th</sup>, founder member David Pelling will present ‘Brazil – the Atlantic Rainforest’, starting at 7.30 pm at Weston Longville Village Hall.

On Sunday 9<sup>th</sup> we have our annual visit to Minsmere. This is usually arranged as two walks round different parts of the reserve with a break for lunch. Minsmere offers families and keen birdwatchers a great day out. Nature trails take you through a variety of habitats to excellent birdwatching hides. There is a visitor centre where you can find out more about the wildlife, browse in the shop or enjoy a meal in the licensed tearoom. All are welcome to any of our events but please note there is a charge at Minsmere if you are not a member of the RSPB.

## Benefice News and Events

At a recent meeting of the BMG it was decided to change the ladies lunch planned for 3<sup>rd</sup> October at Elsing Village Hall into a lunch for those who help us in our various churches. Probably this will be much the same group of people! We want to make sure that all the different kinds of help that people give are recognised: flower arranging, bell ringing, cleaning, laundry and fabric care, DIY and odd jobs, welcome and publicity, fund raising, grass cutting, children’s work (and any other category that we have missed out and you need to remind us of!).

As this is potentially a huge group we would like each of these groups in each church to choose 2 people to come, reassuring the others that their turn will come..... Please contact Sandi Taylor (01362 688268) with the names of those you would like to come by the 15<sup>th</sup> September. Then, if people are on more than one list we will be able to ask a few extra. So please if you have a lot of people in your group who would like to come could you give Sandi some reserve names. If you haven’t heard from your group organiser about this a week after you get this magazine, prompt her or him into action.

Your hosts and waiters for this event will be the Churchwardens and the Benefice Ministry Team, and the Rector.

Events for August are:

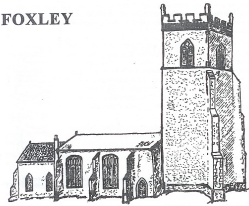

- 8<sup>th</sup> Elsing Duck Race
- 16<sup>th</sup> Lyng Barbecue at the Rectory 12.30pm

## FOXLEY, ST. THOMAS'

The Gardens at Foxley Lodge and Glebe House were "Open" on Sunday 21<sup>st</sup>. June in aid of St. Thomas' Church Repair Fund. The morning was dreary and at times quite wet, but, just in time for the 2.00pm start, the sun came out and the clouds (most of them) drifted away along with our anxieties and cars began to arrive in the paddock; some from as far away as Hopton and Lakenheath! Soon such nice people were wandering around the gardens of the two Old Rectories and then enjoying their tea and cake. All our efforts at weeding, dead-heading, trimming, not to speak of cake baking, were justified and we raised £681. Grateful thanks, also, to all who helped by growing plants and on the day itself.

Diana Harvey P.C.C. Secretary

## ALL SAINTS CHURCH BAWDESWELL

On 5<sup>th</sup> July the church was packed for the baptism of **Sapphire Jolly** and we welcomed her to the family of the church.

We took part in the **Bawdeswell Village Fair** at the end of June and ran a very successful Tombola stall and White Elephant stall. The response this year was terrific. Thank you to everyone who donated so generously, especially Karen and Shaun Green who went round collecting door-to-door. The two stalls, together with a book stall, raised over £500 towards the Fair's total takings (£1,276) which were shared equally by the local groups taking part.

The organ fund currently stands at £19,516. Our target for the cost of the new organ is £26,000. The Flower Festival netted £2,182 which gave us a big step up. Our thanks to the Friends of the Church for that special contribution.

The **over 60's Club** continue to meet in the church on Thursday afternoons and the **Post Office** is operating from there on Tuesday and Friday mornings, except on the dates that the postmaster is on holiday – see page one of the magazine.

**Little Pebbles** pre-school club meet in the church on the third Saturday morning each month.

WeightWatchers used the church on the day of the Elections in June because the Village hall was in use.

The **Iceni Choir** meet there on Wednesday evenings for rehearsal.

We welcome the church being used by the community. Please just ask the Rector or one of the churchwardens if you would like to use it for a meeting or a club.

We are not competing with the village hall, but if that is booked when you want to use it, then the church is an alternative.

# LETTER FROM THE RECTOR

# August/September Services - 2009

RECTOR: Revd David Head Tel. 01603 872381  
email: david@davidhead.plus.com

Dear Everybody, hello again,

I heard an interesting article on the radio recently. Research from many countries shows, almost beyond any doubt, that nations with greater inequalities have more social problems. This relates especially to inequality of income.

Some effects you would expect. There is more crime, more violence, and a larger prison population in countries that are more unequal. Other effects don't seem to be related to the issue of fairness, but research shows that they are. In countries with more equality of income, rates of teenage pregnancy, obesity, and drug-taking are all significantly lower.

The researchers said: if you want to tackle violent crime, teenage pregnancy, or obesity, individual rewards and punishments make no difference. What works is making a society fairer.

This is going to be a problem for our politicians. In recent decades, and with the advent of the lottery, they have been selling us the "American Dream", the idea that we can all be richer than our neighbour. To deal with the problems we know we face, they're going to have to change the way they've been trying to get us to think.

Christianity, and some other religions even more so, have not helped when they have encouraged people to accept things as given by God. It has allowed those who are life's "takers" to get away with too much. I'm glad that there's also been a strong element in the church looking for social justice.

We live in a beautiful and peaceful part of the country, and there's much that we can all enjoy, often at little or no cost. At the same time, the countryside has inequalities and social problems that we need to recognise. The summer-time is a good time for holidays, and relaxing, and I hope you find refreshment. But once the holidays are over, and parliament has re-convened, there will be some thinking and some work to do. Do we want a happy country, or just a happy life for ourselves?

God bless you. David Head
