

Saturday 8th December 7pm

Tortoise In Love (12A)

This light rom-com has been likened to the Four Weddings and a Funeral genre. Created mainly by the Villagers where it was filmed.

Tom, the gardener, falls for the summer au pair but is slow to make his move. He is surrounded by villagers who cannot but help with his endeavours.

This film has the feeling of comfortable English times gone by. Many of the actors actually live in the Oxfordshire villages [Parish of Kingston Bagpuize with Southmoor – you couldn't make this one up could you] in which it is filmed. Even the local MP has a role and the Red Arrows also make a showing.

So if you like gentle love stories, rural England with a bit of 1950's farce and laughter, come and join us at Bawdeswell Village Hall on 8th December.

Our next two films on 12th January and 9th February are yet to be confirmed. If you want us to let you know what they are, please email us at bawdeswell@gmail.com

Dates for your diary – 2013 – 2nd Saturday each month (except July - Saturday 6th)

Film details for early 2013 not available at time of going to press

All at Bawdeswell Village Hall, Doors open 7.00 pm
Film starts 30 minutes later.

The Bar/Cafe will be open for refreshments for all films

Foxley Village Hall Management Committee Harvest Supper Event

The Harvest Supper held on the 27th October was a huge success although the weather outside was cold and miserable lots of villagers turned out for a sausage and mash supper with fruit crumbles for sweets. The atmosphere was warm and jovial and after supper we were entertained by Nicky Mears reading the Boy John letters which featured in the local newspaper from the late 40's to the 60's. The Village Hall Committee would like to thank Nicky Mears. We would also like to thank Ruth Whitmore and Monica Hatch for helping to provide delicious sweets and cooking some of the sausages. We would also like to thank everyone who attended which helped to make the evening a thoroughly enjoyable one and also helped to raise £557 which will be divided between the Church, the Village Hall and two charities in memory of Gladys Dewing.

Once again thank you to all who participated.

Margaret Byrne & Gillian Blyth on behalf of Foxley Village Management Committee

Dereham Food Bank.

Our sincere thanks to everyone in Foxley who donated food at our Harvest Festival service and afterwards, for the Food Bank in Dereham, in total it weighed 70kgs. Thank you all for your generous contributions. It has been greatly appreciated and we have received a letter of thanks from the Project Manager. If anyone would like to donate again before Christmas, please leave it in Chequer's porch.

Thank you, Monica Hatch

The Friends of Bawdeswell Church

At the time of writing we still have the Flower arranging demonstration and lunch in the church on Friday 30th November to look forward to. Tickets have sold well. Thank you for your support of this and all our events this year. You have helped us to redecorate the church and to help with other bills related to the maintenance of the building. Next year we will be celebrating 700 years of there being a Rector in Bawdeswell, and as a project we hope to be able to install proper chimes for the church clock to replace the rather droll tolling of the old bell as at present.

We are pleased that the Semitones Youth Choir are to be joining the Iceni Choir for our Christmas Concert on December 9th. Tickets are now available, at the price of £5 including refreshments. Children free. 01362 688499, 688268.

BAWDESWELL CRAFT GROUP

We met as usual twice in October and shared lots of chat, some silly, some sensible, but all fun! There seems to be lots of babies due as many of us were knitting baby things. We are having a stall at the Wreath Sale day in the Church on 15th December, and there will be items available for last minute Christmas presents, so we hope to see you there. Our remaining dates for 2012 are 22nd November and 13th December. In January 2013 our meetings will be on the 10th and 24th. We welcome anyone who would like to join us. BOOK CLUB

REVIEW *The Bone Setter's Daughter* by Amy Tam

We re-read this novel, which was the first book read by the Book Club when it was inaugurated 10 years ago. On the whole it was felt it did not improve with re-reading in fact quite the opposite. Some of us confessed we didn't remember anything about it, but ten years is a long time, especially when memory loss is becoming chronic! It was agreed by all that the first half of the book, when the American Chinese narrator is describing the routine of her daily life in California with her partner and his two daughters, was pretty boring because no one cared at all about them or their lives. The second half of the book coming under the genre - the immigrant's history and journey to America, when the narrator relates the story of her mother's life growing up near Beijing, most members agreed, was more interesting.

The mother, Gaoling, lived through tumultuous times in Chinese history. Unknown to her, her biological mother was her nursemaid "Precious Auntie" and it was she that was the bone setter's daughter of the title. Gaoling's upbringing included lots of ghost stories and superstitions which never deserted her. Eventually she was placed in an Orphanage where she blossomed. Here she met supportive American women, a wise Chinese teacher and his educated son who was then working on the excavation of Peking Man's remains. He became her husband, was ambushed to join the opposing forces and never seen again. Sometime later she made it to Hong Kong and then to the US, married a Doctor, had the child that eventually told her and her mother's story, was widowed, became a bit of a Tiger mother, and continued to live with her demons. Her daughter, the narrator, gained from learning her history which gave her some broader understanding. On the whole it was a bit of a "soap opera"! M.M.

The Book Club meets in the Workhouse Bar on the first Thursday of every month at 8pm. We mostly obtain books from the Library so there is not the expense of buying new books each month. We are reading Past Imperfect by Julian Fellows for discussion at our meeting on 6th December and Cloud Atlas by David Mitchell for our meeting on 3rd January 2013. New members are always welcome. Enquiries: Marietta Menzies 01362 688 400.

ICENI

Next term we have a big change within the Choir and I will be writing to let you know what they are.

Iceni Christmas concerts this year will feature a programme of traditional Christmas carols as well as Christmas music by John Rutter, Vaughan Williams, and O Holy Night by Adolphe Adam. There will be something for everyone to enjoy and sing along with at the family concert. With plenty of Christmas spirit to start the Festive season come along and begin the celebrations with tinsel and mistletoe and Iceni.

At our Traditional Christmas concert at Bawdeswell 9th December we are featuring the local youth choir based in Bawdeswell the Semitone Singers.

These young people have a passion for music and are looking forward to performing with their musical director Becky Ovens <http://www.norfolkyouthchoir.co.uk/>

BAWDESWELL PARISH COUNCIL
DIGEST OF MEETING HELD ON 5th NOVEMBER 2012

Present: Councillors Shannon, Beane, Kirby, Mallen, Mr G Bambridge (District Councillor), Mrs H Moore (Clerk) and one parishioner.

Ongoing Issues from Previous Meetings

Possible Pedestrian Access to the Heath: Councillor Kirby met with James Winter of NCC Highways who suggested the Council peruse the possibility of matched funding through the Parish Partnership Scheme for a trod (basic footway construction) along Dereham Road and/or Billingford Road as both remain feasible options. Councillor Kirby will pursue more detail from Highways, including further cost information, to enable the Council to consider both options fully.

Folland Court: The Land Registry application is complete and the Solicitor is now working to register the necessary restriction by which the Parish Council is not allowed to sell the land without Breckland District Council's approval. The rose arch is now in position and the roses are due to be planted on 12th November. All agreed to pay the final legal bill which has been received from the Solicitors.

Possible Work on Churchyard Trees: The Council still await a report from the tree surgeon.

Condition of Common Lane: Highways have agreed to programme the Rangers to carry out repair work on the lane, including excavation of a 2 metre drainage channel at the largest low lying area and the filling of holes at the other two problematic areas.

Bus Service Requirements: Comments have been received from parishioners confirming the need for a service to/from Dereham. Comments can still be forwarded to the Clerk or left on the clipboard in the shop on The Street. The Clerk will now press County Councillor Bill Borrett for his support to get a representative from NCC to attend a future PC meeting so that the issue can be properly discussed. District Councillor Gordon Bambridge suggested a logical solution would be to have an existing route extended to include Bawdeswell, Billingford, Lyng and Sparham.

Other Business of Interest to Parishioners

Village Hall: The Village Hall Committee is still pursuing funding for the new hall. Project Bawdeswell is now focusing on the creation of facilities and activities for young people.

Emergency Plan: A flyer has recently been distributed to all households. Please complete the form and return to the shop or the Emergency Plan Co-ordinator, Dan Taylor at The Old Police House, your support is greatly appreciated.

Any queries or comments for the PC can be forwarded to Parish Clerk, Mrs Helen Moore. She can be contacted on 01263 587954, 4 Adams Lane, Corpusty, NR11 6QJ, email:- helenmoore1974@yahoo.com

Next meeting to discuss your Council Tax contribution to the 2013/14 Precept will be held on Monday 3rd December 2012 at 7.45pm in the Village Hall Portacabin – all are very welcome.

It is good to report that exciting positive things are happening as far as the progress of the new Village Hall project is concerned. However, exceedingly worrying and negative actions have been occurring at the current hall:

On Remembrance Sunday, when most of the country was remembering the loss of those who gave their lives to ensure freedoms for later generations, another window at the Village Hall was smashed; a hole large enough for someone to walk through was created and the rear fire exit was opened and wedged to remain open. Around 20 stones were found inside the Hall. The Police and Crime Scene investigators have been looking for evidence, and it is hoped that finger prints, foot prints and blood will be found and an arrest made. Breaking and entering is a serious crime and will not be overlooked. We are going to increase our surveillance of the area and take any measures necessary to stop this vandalism and apprehend the perpetrators. If anyone witnessed any suspicious activity on Sunday 11th November please contact John Menzies on 01362 688 400.

And perpetrators - BE WARNED YOU WILL BE IDENTIFIED!

1st Positive - At the meeting of the Village Hall Management Committee on Saturday 27th October it was agreed to commission the architects (Chaplin Farrant) to undertake the detailed design work for the new hall. They were the architects of Weston Longville's new Hall so you may be interested in having a look at it now it is finished.

2nd Positive – After considering whether they should stand alone or not it was agreed that the Village Cinema will remain as a sub-group of the VH Committee.

3rd Positive – We are on the case -The governing documentation of the Charity is being updated in order to meet the requirements of the Charity Commission. Until this is sorted out we are not in a position to apply for grants.

4th Positive (at least for him) David Cockburn steps down from some of the jobs he has so efficiently undertaken for the Village Hall over the last several years, at the end of the 2012. He is staying on the Committee and continuing to look after the website.

5th Positive - John Mallen is taking over as Booking Clerk and can be contacted on 01362 688 627 or email villagehall@bawdeswell.net So after 31st December 2012

he should be contacted to hire the Hall. John Menzies will take over responsibility for the general maintenance of the building and can be contacted on 01362 688 400 to report any problems. William Mason will become Treasurer.

6th Positive - There's a job to be filled - A Caretaker is needed - it would be great if there were a handyman out there with a few hours a week to spare who could take on the role?? Does anyone feel that's for them or know anybody they could recommend?

7th Positive - The Family Christmas Party in the hall will go ahead on 16th December as last year. Father Christmas is coming and there will be presents for children. Please see details elsewhere in this magazine.

8th Positive - Project Bawdeswell has been incorporated into the VH Committee. Its aims as outlined in its Mission Statement – “to enhance the recreational and social needs of our community” have been broken down into 4 categories affecting different groups of Bawdeswell villagers and become the stated Outcomes of the Lottery application. Youth, Seniors, and Young Families are each covered separately and Exercise and Fitness as an overall Outcome for the whole village. The lottery application has the title Project Bawdeswell. Fel Roberts is organising a separate group of concerned people to work specifically on the Youth Outcome. The VH Committee will continue to support activities for all groups but if there is someone who would like to take on one of the other Outcomes that would be great.

9th Positive – A Presentation meeting was held on 14th November at which the current position on the progress of the New Hall plans was given. It was well supported by villagers and our local District Councillor, Gordon Bambridge. Unfortunately the School Head Teacher had another appointment but he gave his apologies and reiterated the School's commitment to the Project and we were pleased to welcome Colin Brown, a long standing School Governor, representing him.

..... Many good things happening so let us not allow the pointless negative actions of a few (which will be addressed) destroy the ambitions of the majority!

BECK W. I.

Aleathia welcomed everyone to our Annual Meeting on Monday 12th November and we began the evening by celebrating the end of our year with mulled wine and nibbles – kindly provided by Aleathia.

We were given a copy of the Minutes taken at the Annual Meeting on 14th November 2011, Christine read the Annual Report for 2012 and copies of the satisfactory Financial Statement were given to us.

Voting showed that members were very happy with the work done by the existing committee and wished them to continue. This they agreed to do. A welcome addition to the committee is Jean and members voted for Aleathia to remain as President. Therefore:- Aleathia – President. Members: Carol, Christine, Chris, Jean, Jennifer and Margaret.

After the tea interval, Jean entertained us with stories of her experience as a Volunteer at the Olympics. It had been decided to send her to Wimbledon – a venue she is familiar with. A lot of travelling was involved and she met lots of interesting people. It was lovely to hear her closing heartfelt remark – “I’d do it all again!”

The rest of the evening was spent helping to fill boxes for Samaritans Purse with a wonderful array of hats, scarves, gloves, toys, pencils, games, soap, etc etc brought in by members. Well done everyone.

From the interesting socks brought for the exhibition, Anne was the winner with Chris W second.

No meeting in December as we have our Christmas Dinner on 10th December. See you all there.

BEATING THE SEASONAL BUG

Each winter, as unfortunate people succumb to seasonal 'bugs' and respiratory infections, Homeopaths are among those on the frontline, helping people who prefer an "alternative" approach.

Homeopathy is a system of medicine which is based on treating the individual with highly diluted substances given in mainly tablet form, which triggers the body's natural system of healing. Based on the individual's symptoms, a homeopath will match the most appropriate medicine to the patient. This system of medicine is suitable for all ages, including babies and the elderly, as it is non-toxic, and research has shown them to be effective in the treatment of people with flu, respiratory tract infections, otitis media (ear infection) and sinusitis.

Many parents are becoming increasingly concerned about giving children medications such as paracetamol (Calpol) and cough medicines, and are looking for an alternative approach. Recurrent coughs and infections should be seen by a professional Homeopath, but homeopathic remedies can be used at home in acute short-lived conditions.

There are many remedies available over the counter that could be useful in winter ailments, each having its own specific characteristics. Remedies commonly used in winter illnesses include:

Gelsemium: the number one "flu" remedy, with symptoms slow to come on. There is much heaviness and drooping, fatigue, clammy skin, flushes of hot and cold, dizziness and congestion.

Belladonna: symptoms have come on suddenly and there is heat, throbbing and pain, irritability, and symptoms worse from jarring. Children can be obstinate and may bite or hit.

Pulsatilla: has blocked painful sinuses, sticky mucus, feels better in the fresh air. Has a changeable, clingy, tearful mood.

Bryonia: symptoms are slow starting with much dryness and pains are worse from the slightest movement. Firm pressure on the affected area is helpful. They are irritable and want to be left alone. Children may reject what they just asked for.

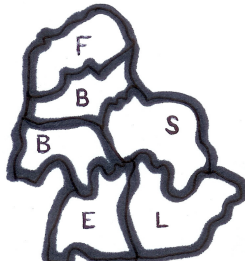

Phosphorus: a hacking, tickling cough, often with sweating. The patient is worse at night and might ask for icy drinks or ice cream, which may be vomited up immediately. They may be hoarse, and are better for affection and massage, and worse for cold air. **Rhus tox:** slow onset with high temperature and great restlessness, constantly changing position, muscles stiff and painful. Any draft or cold air will aggravate. There is a feeling of heat inside, with cold skin and a desire to sip water.

Nux Vom: throat feels rough, extending into the ear, with tight hoarse feeling and heaviness in stomach with nausea and vomiting. Irritable and can't bear noises, light or odours.

BENEFICE NEWS & EVENTS

NEW SERVICE ROTA

The Churchwardens and the Benefice Ministry Group met to discuss how the rota of services is going. They decided on change!

Starting in January we will have a new rota, which for most churches will be like the rota of 2010. The main difference from this year is that the combined services will once again be on the second and fifth Sundays. The second main difference is that each month in each church the regular time services will be the same.

We will need to get help from clergy who live outside the Benefice and we are trying to find a suitable array of smiley, holy faces!

“The Bereavement Journey”

Members of the FLEBBS benefice attended a course at Sparham Old School Room on bereavement, and how we can be better friends to those who are bereaved. The course was provided free by Norwich Diocese, and led by The Revd Christopher Wood, an inspirational teacher who was formerly a bereavement counsellor and trainer, who had been involved in organising counselling after the King’s Cross fire, the *Marchioness* disaster, and other major events. Those who attended found it very valuable, and would like to take it further. It would be possible to repeat the course at a later date if others would like to do so.

COLLECTION BOX FOR EMERGENCY FOOD PACKS

Local Distribution Centre Dereham

You will recall that at the Bawdeswell Harvest Service on Sunday 7th October, we all brought various tins and packages of food as our contribution to providing emergency food packs. A photograph of our food offering on the altar was in last month's Reeve's Tale. On Monday 8th October I took all the food to the Foodbank in Dereham. The total weight was 24.5 kilos which was fantastic. Another collection was delivered in November. **Thank you very much for your contributions.**

The Foodbank has distributed many emergency food packs in Dereham and surrounding areas. I am sure it would be much appreciated if we could fill the two boxes in the church again by Sunday 16th December so that another contribution could be delivered to the Foodbank in time for Christmas. A list of suitable foods is below, and also on the boxes in the church.

Milk (UHT Long Life)	Sugar (500g)
Fruit Juice (Long Life Carton)	Rice Pudding (Tinned)
Sponge Pudding (Tinned)	Instant Custard (Packets)
Tomatoes (Tinned)	Breakfast Cereals
Instant Mash Potato	Tinned Meat
Tinned Fish	Tinned Vegetables
Tinned Fruit	Instant Coffee (small jar)
Snack Bars	Tea Bags (pack of 40)
Pasta Sauce	Jam/NOT homemade
Powdered Baby Milk	

We have been asked not to give Pasta or tins of Baked Beans as they have more than plenty. **NOTE: All contributions must be within 'use by' date.**

St Thomas' Foxley

I am very pleased to say that we are about to embark on the next big project at the church. We are always trying to make the church presentable and attractive to the village. Last year we put in chancel heating and redecorated in time for last year's carol service. Now we have raised the funds for the next phase, thanks to generous donations, fund raising and a £6000 grant from the Norwich Diocesan Association of Bell Ringers. We can now start to renovate the bells and restore the bell chamber floor which was unsafe. Unfortunately we did not receive any money from the 'Your Heritage' lottery fund after two lengthy attempts- which was very disheartening. However, we are there now.

The work will begin in January and should be complete by early March next year. Not the best time to be doing things, but needs must. We had started a band over two years ago to learn how to ring from local volunteers across the Benefice. After 'borrowing' bell towers from other churches they will be able to ring the ones at Foxley. I am grateful to them for staying the course as picking up the skills has not been easy. In addition many people have given up their time to tutor us, otherwise we would not have succeeded at all. You may have heard the chimed bell at each Foxley service over the last two years. From March we should be able to ring all six for services, weddings and special events, except for the early morning Communion service! We will however, need to practise our skills. These sessions will not be excessive, probably once or twice a week, with sound-proofing boards to be installed in the West and South louvred openings of the tower. I am sure that most people in the village will welcome the bells ringing out again after all these years of silence. After the bells are re-hung we hope to inaugurate a new stained glass window in the tower, celebrating the original three Foxley bells from 1708, made and donated by our local stained glass artist, Anne Cormie.

To further involve the community in the last school term, two members of the group have been teaching hand-bell ringing in conjunction with the local Bawdeswell primary school. It is very encouraging to see and hear the progress that has been made by the children, who are very talented.

I would like to thank all the people in the village that have either directly supported the bell fund or petitioned for their reinstatement. For the future, our next projects will be porch and nave redecoration, re-erection of the tower pinnacles and renovation of the chancel roof. The church has been there since 1100, and we are trying to do our bit for the next generation to enjoy. All volunteers who want to help are most welcome.

Tony Rushbrook

Our Carol Service will be at 4.30pm on Sunday 23rd December

From the Rector

Dear Everybody, hello again.

Recently, big international corporations, such as Starbucks, Amazon and Google, have been exposed as paying tiny amounts of tax in this country compared to their sales revenue. Similarly, celebrities at the BBC, comedians and others have found ways of avoiding tax legally that means they pay a much smaller percentage than the average person.

What's this got to do with Christmas? At the centre of the Christmas story is the town of Bethlehem, where Joseph had to go to be enrolled for tax. He was, literally, an ordinary Joe. There were no special dispensations or exemptions for the family of Jesus. His family paid tax like any others.

Some people, it seems, are above paying tax. Most of us aren't. We express our solidarity with the rest of society in allowing some of our income to be used to pay for schools, roads, the health service; and maybe some things that we would also question. In our democracy, we can have a small say in how it is spent. In the time of Jesus, the occupying power had control over how money was spent – and a lot of it was used by them simply to stay in control.

Although tax is in the Christmas story, it isn't the Christmas story. That is the story of lots of different gifts – the gift of love and obedience by Mary, the gift of respect by Joseph, the gift of hospitality by the innkeeper, the gifts of the wise men.

But sometimes, if we aren't careful, any of us can turn the gifts we give at Christmas-time into a kind of tax. We can feel burdened by our expectations to provide the right kind of gift, with the right amount of knowing what someone wants but hasn't bought themselves, and the right amount of money spent. It can feel as if we *have* to give, rather than choose to.

But if we don't have many material resources to give, don't worry. The gifts given to Jesus were the best ones: love, security, respect, understanding of who he was. Those you can always give.

God bless you this Christmas David Head
